Notice: Declaration and Verified Claim of Arrest and False Imprisonment

'i', Marilyn Ann Hueper, woman, Alaskan, living soul, one of the people of the several states, appearing in this, My court-of-record declare:

firstly, 'i' am a creation of God-Almighty and a follower of God's laws first and foremost, and the laws of man when they are not in conflict (Leviticus 18:3,4). Pursuant to Matthew 5:33-37 and James 5:12, let my yea be yea, and my nay be nay, as supported by Federal Public Law 97-280, 96 Stat. 1211 - "Whereas the Bible, the Word of God, has made a unique contribution in shaping the United States as a distinctive and blessed nation and people" and "Whereas Biblical teachings inspired concepts of civil government that are contained in our Declaration of Independence and the Constitution of the United States" and "Whereas..the Bible is "the rock on which our Republic rests";

secondly, 'i' means "me", "myself", and 'i';

thirdly, My means all property belonging to 'i';

EXHIBIT A

Marilyn Ann Hueper, woman et al v. FBI Anchorage "Field Agents", John M. and/or Jane M. Doe(s),
[wo]man(s) et al (cont'd) District Court of the U.S.

fourthly, 'i' am of sound mind and competent to testify; 'i' am a second witness to all that 'i' saw happen to My husband, Paul James Hueper and My guests, Gregory Alexander Nance and E. Pierce Rathbone on the morning of "28 April 2021" when men and woman who at times work for the FBI Anchorage Field Office, the FBI DC Office, the DC Capitol Police and State of Alaska Anchorage Police trespassed on the peaceful enjoyment of our lives; they in turn are witnesses to all that happened to me on that same morning (See Exhibits B, C and D - Declarations of Fact);

fifthly, at the time of the events of 28 April 'i' lived at "895 Ocean Drive Loop, Homer Alaska"; 'i' am co-owner of "Homer Inn & Spa" at the same address;

sixthly, 'i' have personal knowledge of the matters stated herein and hereby asseverate, understanding both the spiritual and legal liabilities of, "Thou shalt not bear false witness against thy neighbor"; and will *verify* all the following in an open court-of-record;

seventhly, on "28 April 2021" at approx 9am 'i' was startled awake by a deep male voice yelling from my kitchen, **"FBI. Come out with your hands up!"**;

eighthly, under threat of arms and in fear for his life, My husband proceeded in his pajamas, barefoot and unarmed toward the kitchen saying something like, "okay, 'i' am coming out with my hands up";

ninthly, under threat of arms and in fear for My life, 'i' got up, also in my pajamas, barefoot and unarmed and followed My husband; there were **many agents** in the room and **with firearms drawn, pointing at us**;

tenthly, the same man yelled at Paul to walk backwards; being suddenly awakened, My husband didn't register the command and they yelled at him again to turn around and walk backwards up the steps toward them; once again, ***in fear for his life, he complied***;

EXHIBIT A

Marilyn Ann Hueper, woman et al v. FBI Anchorage "Field Agents", John M. and/or Jane M. Doe(s),
[wo]man(s) et al (cont'd) District Court of the U.S.

eleventhly, the armed, uniformed man handcuffed his hands behind his back and put him in a chair at the dining table; our kitchen door had been broken;

twelfthly, a man unknown to me grabbed me and handcuffed me with my hands behind My back and forced me into a chair at the dining table;

thirteenthly, that same man demanded to know if there was anyone else in the house; fearing for our guests lives and safety, 'i' hesitated to answer hoping our guests instead might be able to remain in their rooms quietly unmolested, but they demanded again and in fear for My life and theirs, 'i' said yes and gave the man their names, Greg and Pierce; our house-guests were then called out in their pajamas, barefoot and unarmed; Greg and Pierce, our house-guests were handcuffed with their hands behind their backs and pushed into chairs; the man again demanded to know if there was anyone else in our home to which 'i' replied "no";

fourteenthly, after binding us all against our wills and restraining us in the dining room, the man then said, "**No one is going to be arrested here today,**" and he then did state, "**We just want to have a chat.**";

fifteenthly, 'i' then asked, "If you just want to have a chat why didn't you just call and make an appointment?"; and 'i' required to know the names of each and every man trespassing 'i', My husband, and our property; 'i' required to examine the warrant; and 'i' required the assistance of counsel; all of these rightful demands were summarily denied by this man, whose name is still unknown to me;

sixteenthly, the man, Jonathan, removed my handcuffs and sat me down in a different room, forcefully informed me that he wanted to know who "i" had been working with that day; then he said something to the effect of 'so, you want to play it that way, do you?; and then **this man threatened "i" saying, 'So you want me to put in my report that you lied to a federal agent?'**; and again he said menacingly so as to convey another threat, 'So do you want to get charged for obstructing justice?';
